

Morgan Stanley Smith Barney

Project: One PPG Place – 12th and 13th Floors

Architect: Davison Smith Certo Architects
Rob Miller, 440.835.3957

Owner: Morgan Stanley Smith Barney
Gustavo Alexander Diaz, 212.537.3376

New mahogany frame and glass office fronts complement the cube areas.

Shannon Construction was selected to renovate two floors for MSSB. The project was phased to coincide with restacking. Extensive custom millwork fabrication and installation by Shannon Construction allowed us to maintain the aggressive project schedule.

This client demands a very high level of coordination and finish. Shannon Construction was able to meet those requirements working with a large group of national consultants and vendors.
