

Upper Crust

Project: Upper Crust
Architect: Lami Grubb Architects
Owner: Creative Host Services, Inc
Location: Pittsburgh International Airport

Upper Crust premiered the first United States location at the Pittsburgh International Airport's Air Mall. Shannon Construction Co, was awarded the 900 sq. ft. build-out of the French bakery.

The space has a European flair which consisted of:

- Curved bulk heads
- Custom built wood panels
- Ceramic floor
- Stainless steel cabinetry
- Decorative lighting was installed to illuminate restaurant with warmth and richness
